FOR IMMEDIATE RELEASE

**Pandigital Named No. 4 on *San Francisco Business Times*'
100 Fastest Growing Private Company List**

New award listing follows Pandigital's ranking on Inc. 5000 at No. 234

Dublin, Calif., Oct. 19, 2009 – [Pandigital](#) today announced that it was ranked number four on the *San Francisco Business Times*' "100 Fastest Growing Private Companies" list.

The *San Francisco Business Times* reports on Bay Area companies to find the most innovative and inspiring privately owned firms that have shown the highest fiscal growth rates over the past three year period.

Pandigital's net revenue of \$194,466,627 in 2008 represents a 674.4 percent increase in growth over \$25,111,627 million in net revenue in 2005.

This honor comes just months after Pandigital was ranked for the third year in a row on [Inc. Magazine's](#) annual ranking of the 5000 fastest-growing private companies in the country.

"We are honored to be recognized as the fourth fastest growing private company in the Bay Area by the *San Francisco Business Times*," said Dean Finnegan, founder and CEO, Pandigital. "This acknowledgment reflects the continued growth of Pandigital as the company maintains its leading position in the digital photo frame market while expanding into new product categories. The Pandigital brand has set the bar in providing innovative technology products to the mass market consumer at a great value. As we expand out into new product lines, we'll maintain the high-quality and simplified user experience that allows consumers to easily enjoy their special memories."

Additionally on the Inc. 5000 lists, Pandigital was number 12 on the [top 100 Companies in the San Francisco-Oakmont-Fremont area](#) list, and number 19 on the top [100 Consumer Products and Services](#) companies list.

Pandigital sells its award-winning line of Pandigital® and PanTouch® digital photo frames and PhotoLink portable one-touch scanners through a wide range of well known national retailers in the United States, Europe, South America and Central America. The company has received numerous accolades and industry awards for its outstanding products that are renowned for their easy-to-use features and high-quality, elegant design, providing exceptional value to consumers.

Pandigital currently sells its digital photo frames at more than 33,000 retail storefronts of a variety of retailers, including department stores, mass merchants, consumer electronics, office supply, specialty, home shopping, online, and catalog retailers. The company plans to facilitate continued revenue growth by expanding its product offerings to include a broader range of digital photo frames and related home entertainment products for consumers.
